### **NEW ELECTRONIC PUBLIC ACCESS (EPA) FEE SCHEDULE**

Effective July 1, 2006

The Judicial Conference, at its March 14, 2006 session, amended the Electronic Public Access Fee Schedule for the appellate courts. The amendments establish two new fees and increase the existing fee for searches by the PACER Service Center staff.

A fee of \$.50 per-page has been established for the PACER Service Center to recoup the costs of reproducing on paper any record pertaining to a PACER account. This fee shall apply to services rendered on behalf of the United States if the record or paper relates to the requester's account and is remotely available through electronic access. A fee of \$45 has been established for checks that are returned to the PACER Service Center for lack of funds. The Conference also amended the existing fee Item III for searches by the PACER Service Center staff to delete "\$20," and to include in its place (added language in italics) "For every search of court records conducted by the PACER Service Center, \$26 *per name or item searched.*" The two new fees and the clarifying language to fee Item III make the EPA Fee Schedule consistent with the appellate miscellaneous fee schedule.

The fee increases will be effective on July 1, 2006. A copy of the new EPA Fee Schedule is available on the court's website [www.cadc.uscourts.gov](http://www.cadc.uscourts.gov).
